"Once Upon A Dream"

I Know You . . .

I walked with you, Once Upon A Dream

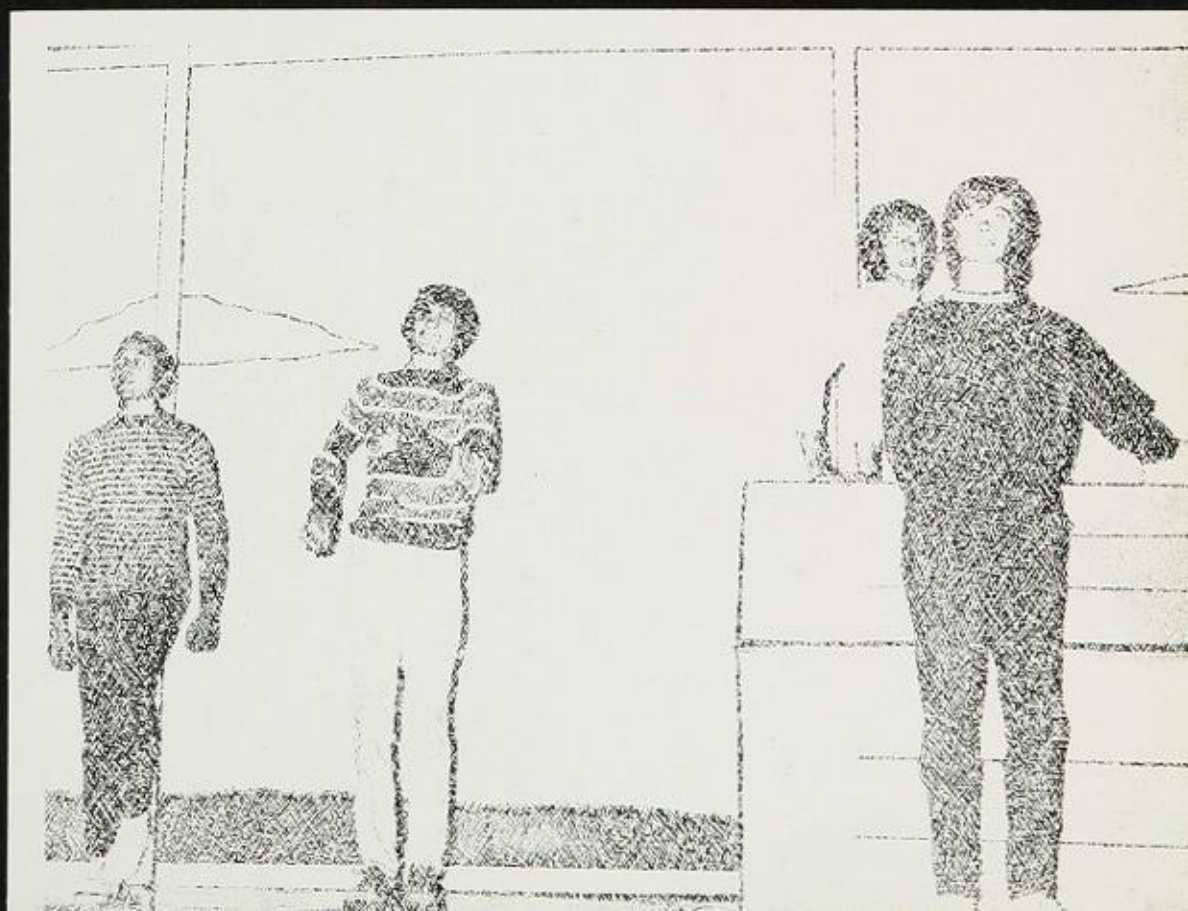

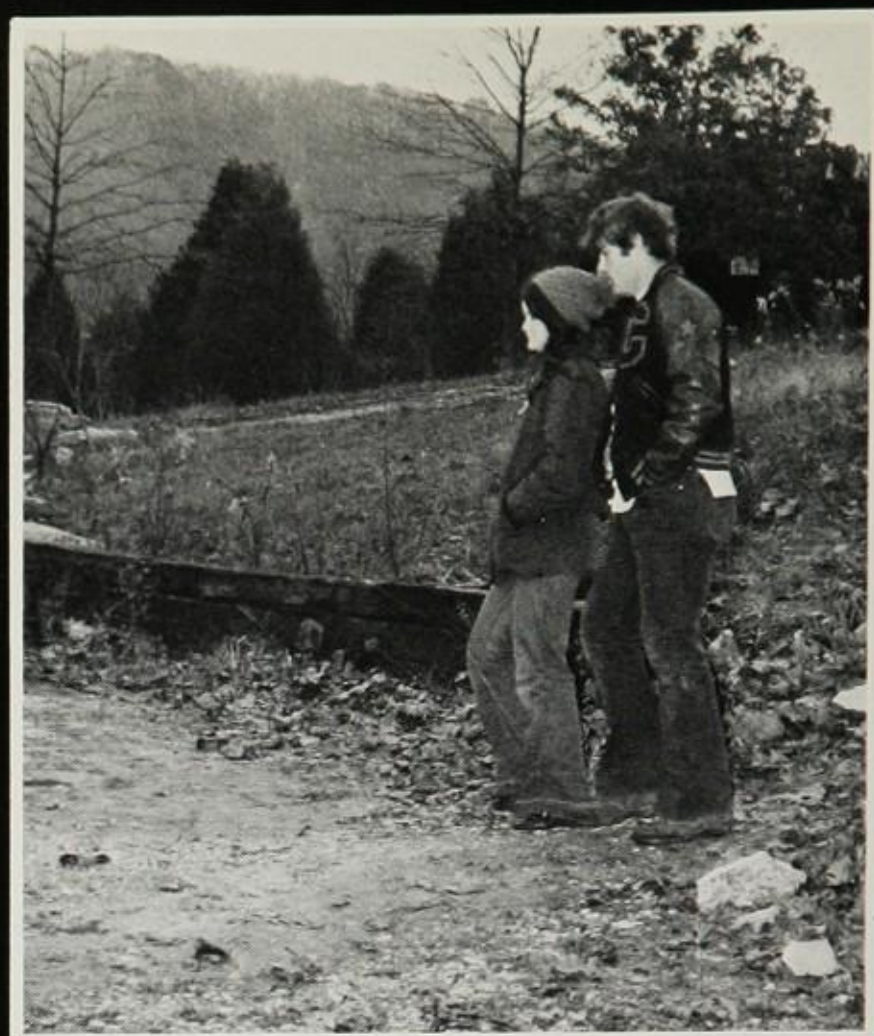

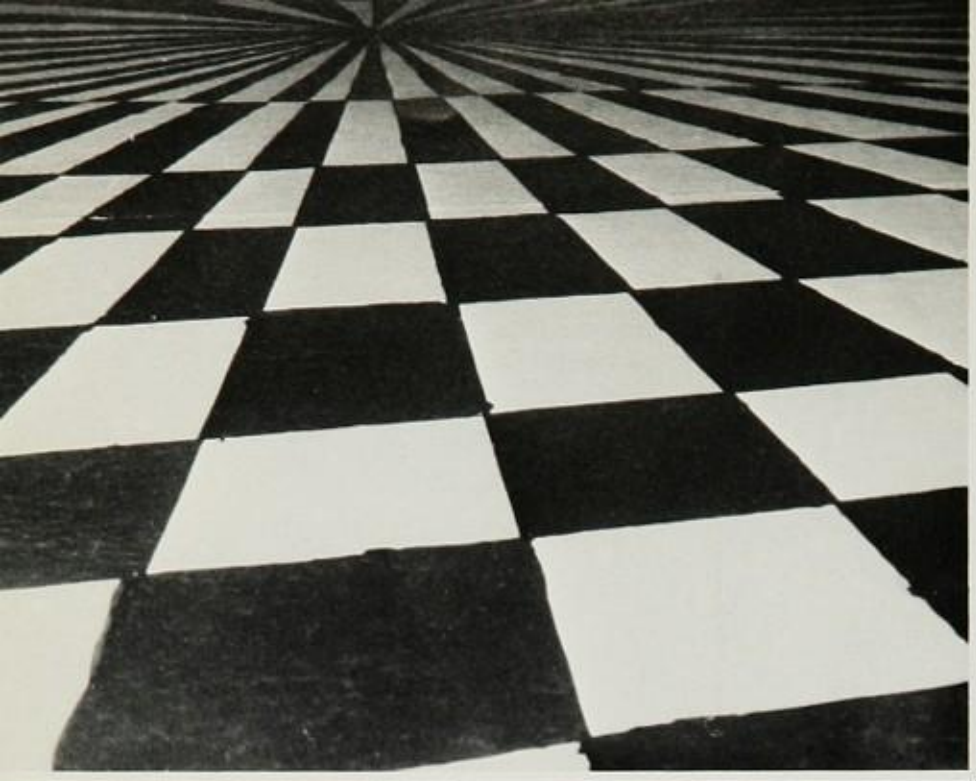

I know you;

The gleam in your eyes . . .

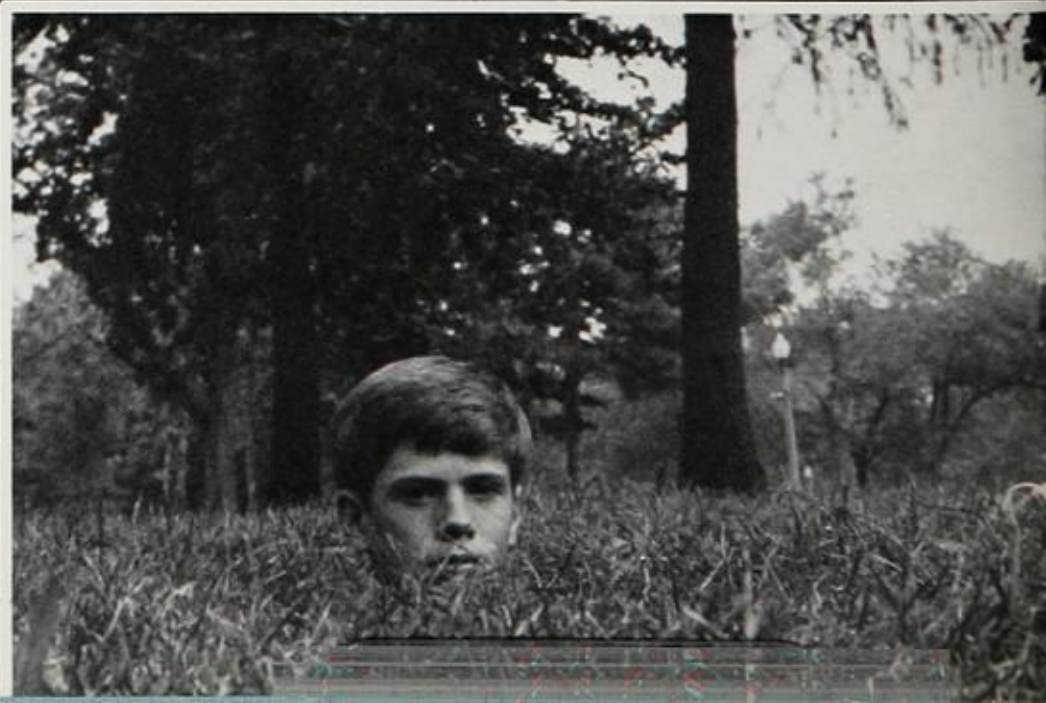

Is so familiar a gleam

Yet, I Know It's True

That Visions Are Seldom All They Seem.

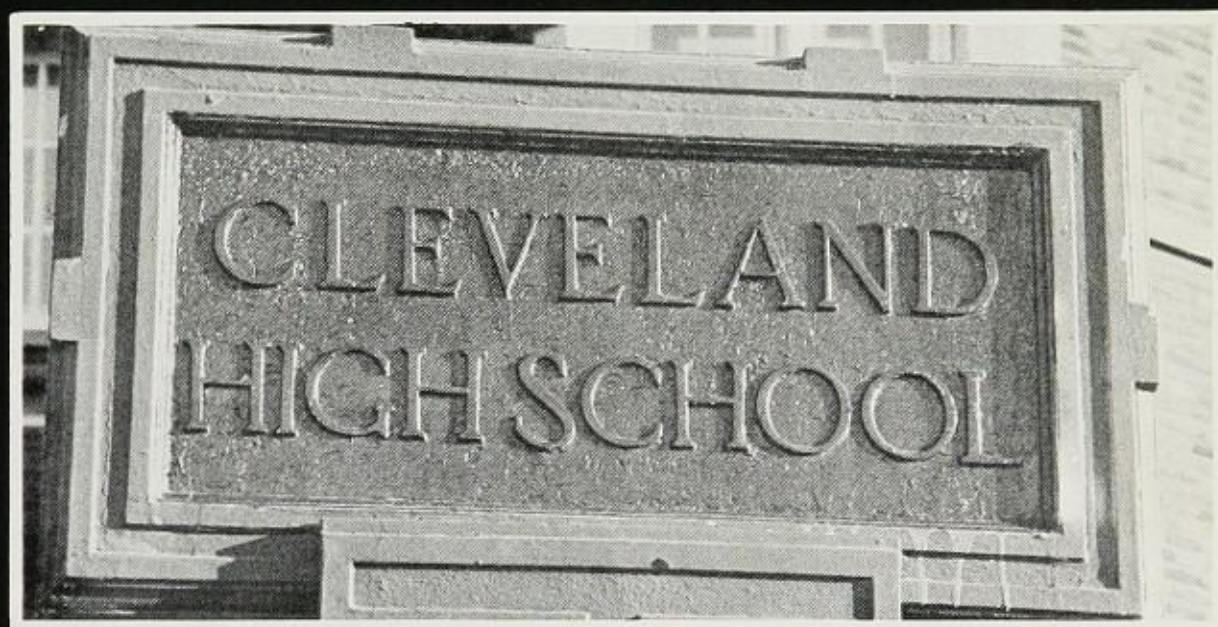

But If I Know You, I Know

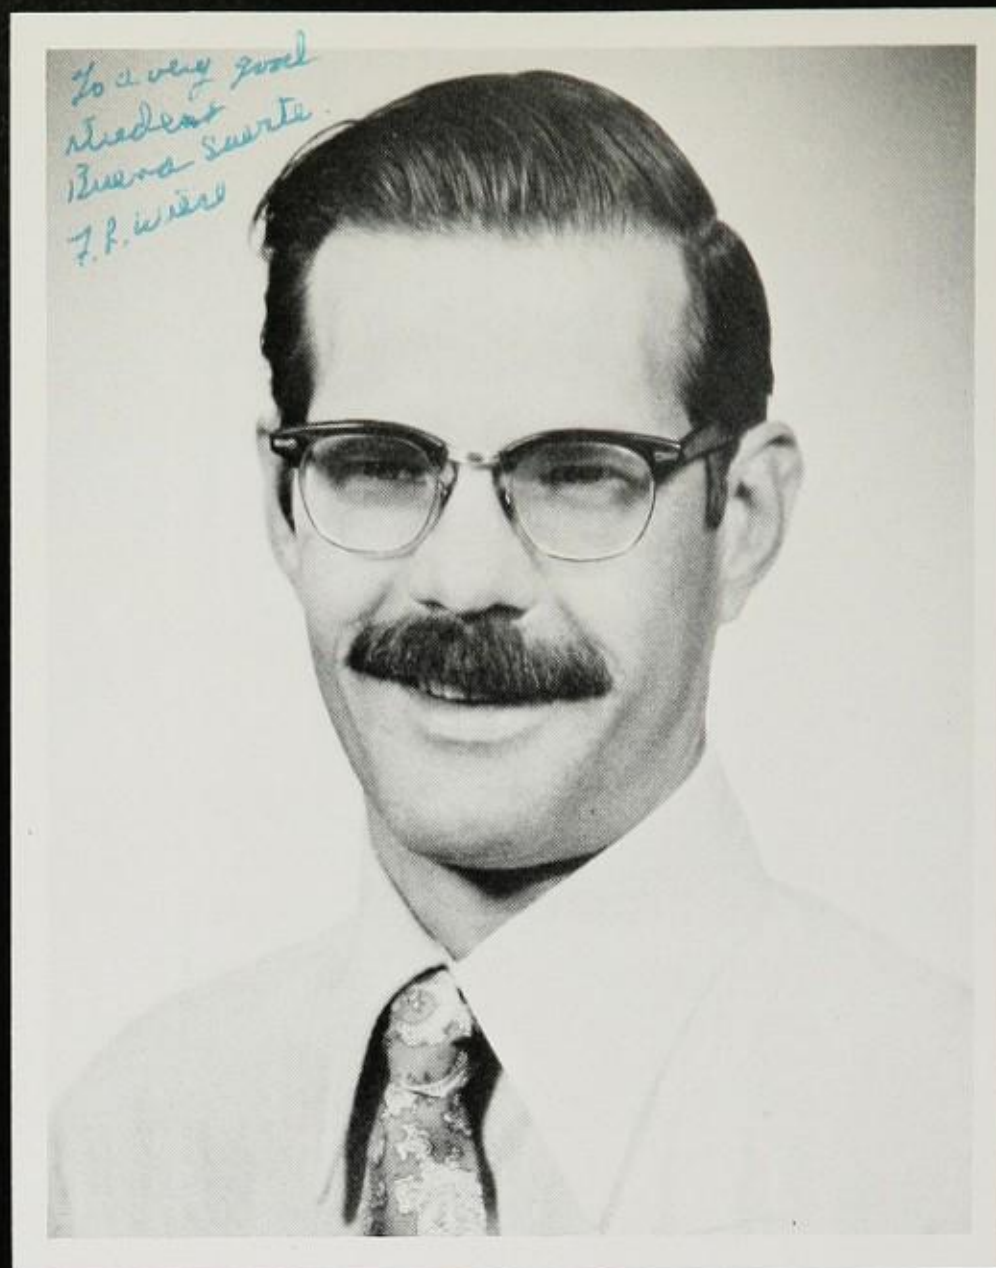

**What You'll Do
You'll Love Me**

At Once, The Way You Did . . .

Once Upon A Dream.

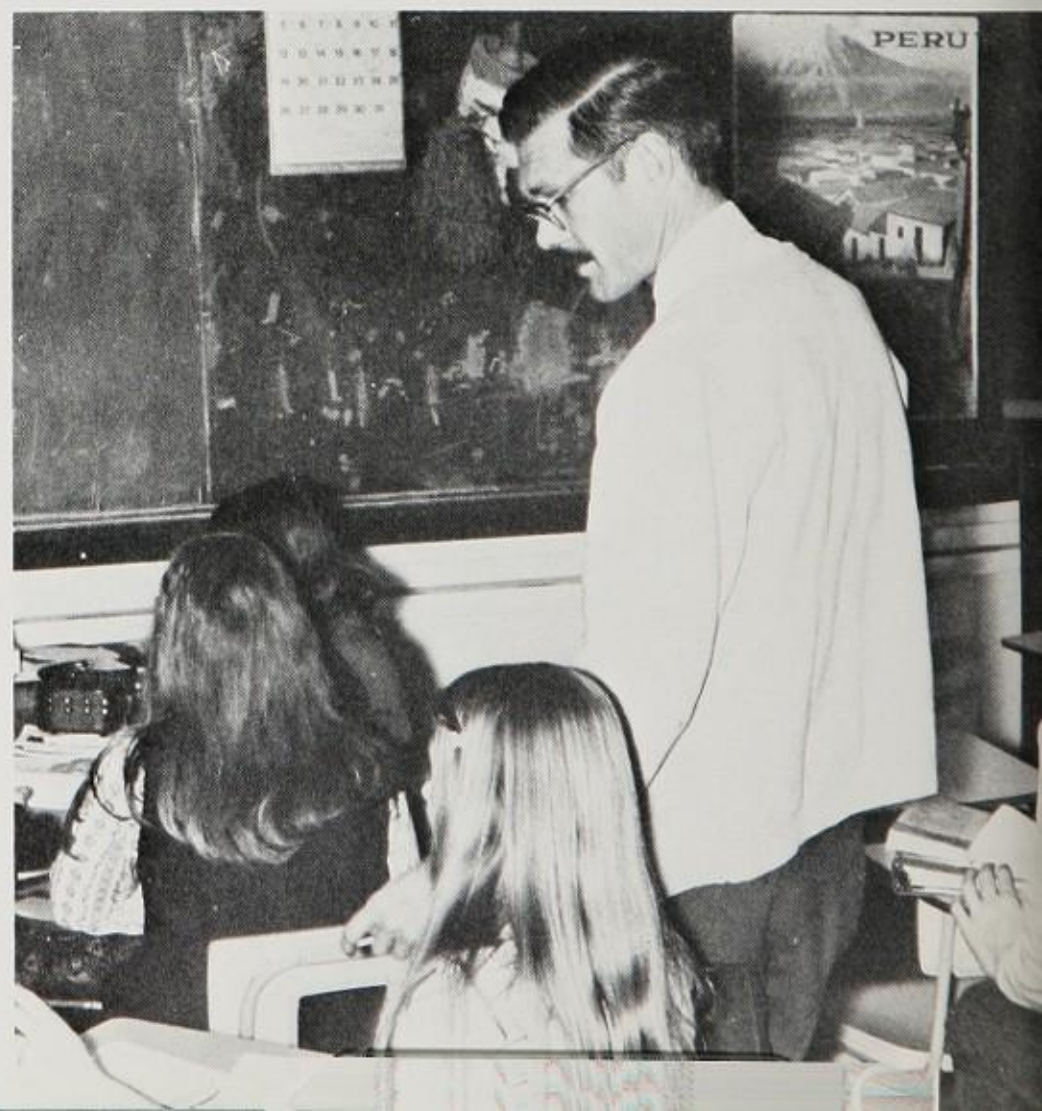

Frederick L. Wiese

We Dedicate

A mustache, a smile, glasses, and a kind word personify Mr. Wiese who has an excellent reputation among the students, faculty and administration in willing to be of help virtually whenever he is asked. He has been at Cleveland for at least ten years as a Spanish teacher. During these years he has also sponsored the "Groovers", directed Mame, served as Rifle Coach, and sponsored the Cheerleaders. Through these various activities he has displayed an abundance of helpfulness, dedication, and selflessness.

Be sure to put that question mark at the beginning of the sentence upside down.

To You

Lover of Irish Green, intellectual, thick wavy hair, husky, sports minded, Mr. Conley has proven to be very appealing to the Cleveland Dutch. He has served as Athletic Director, unofficial advisor to the BEACON Staffs, winner of the First Gear Record for "cutting a mean rug." He is presently serving as Head of the Department of English and as Sponsor of the Student Council.

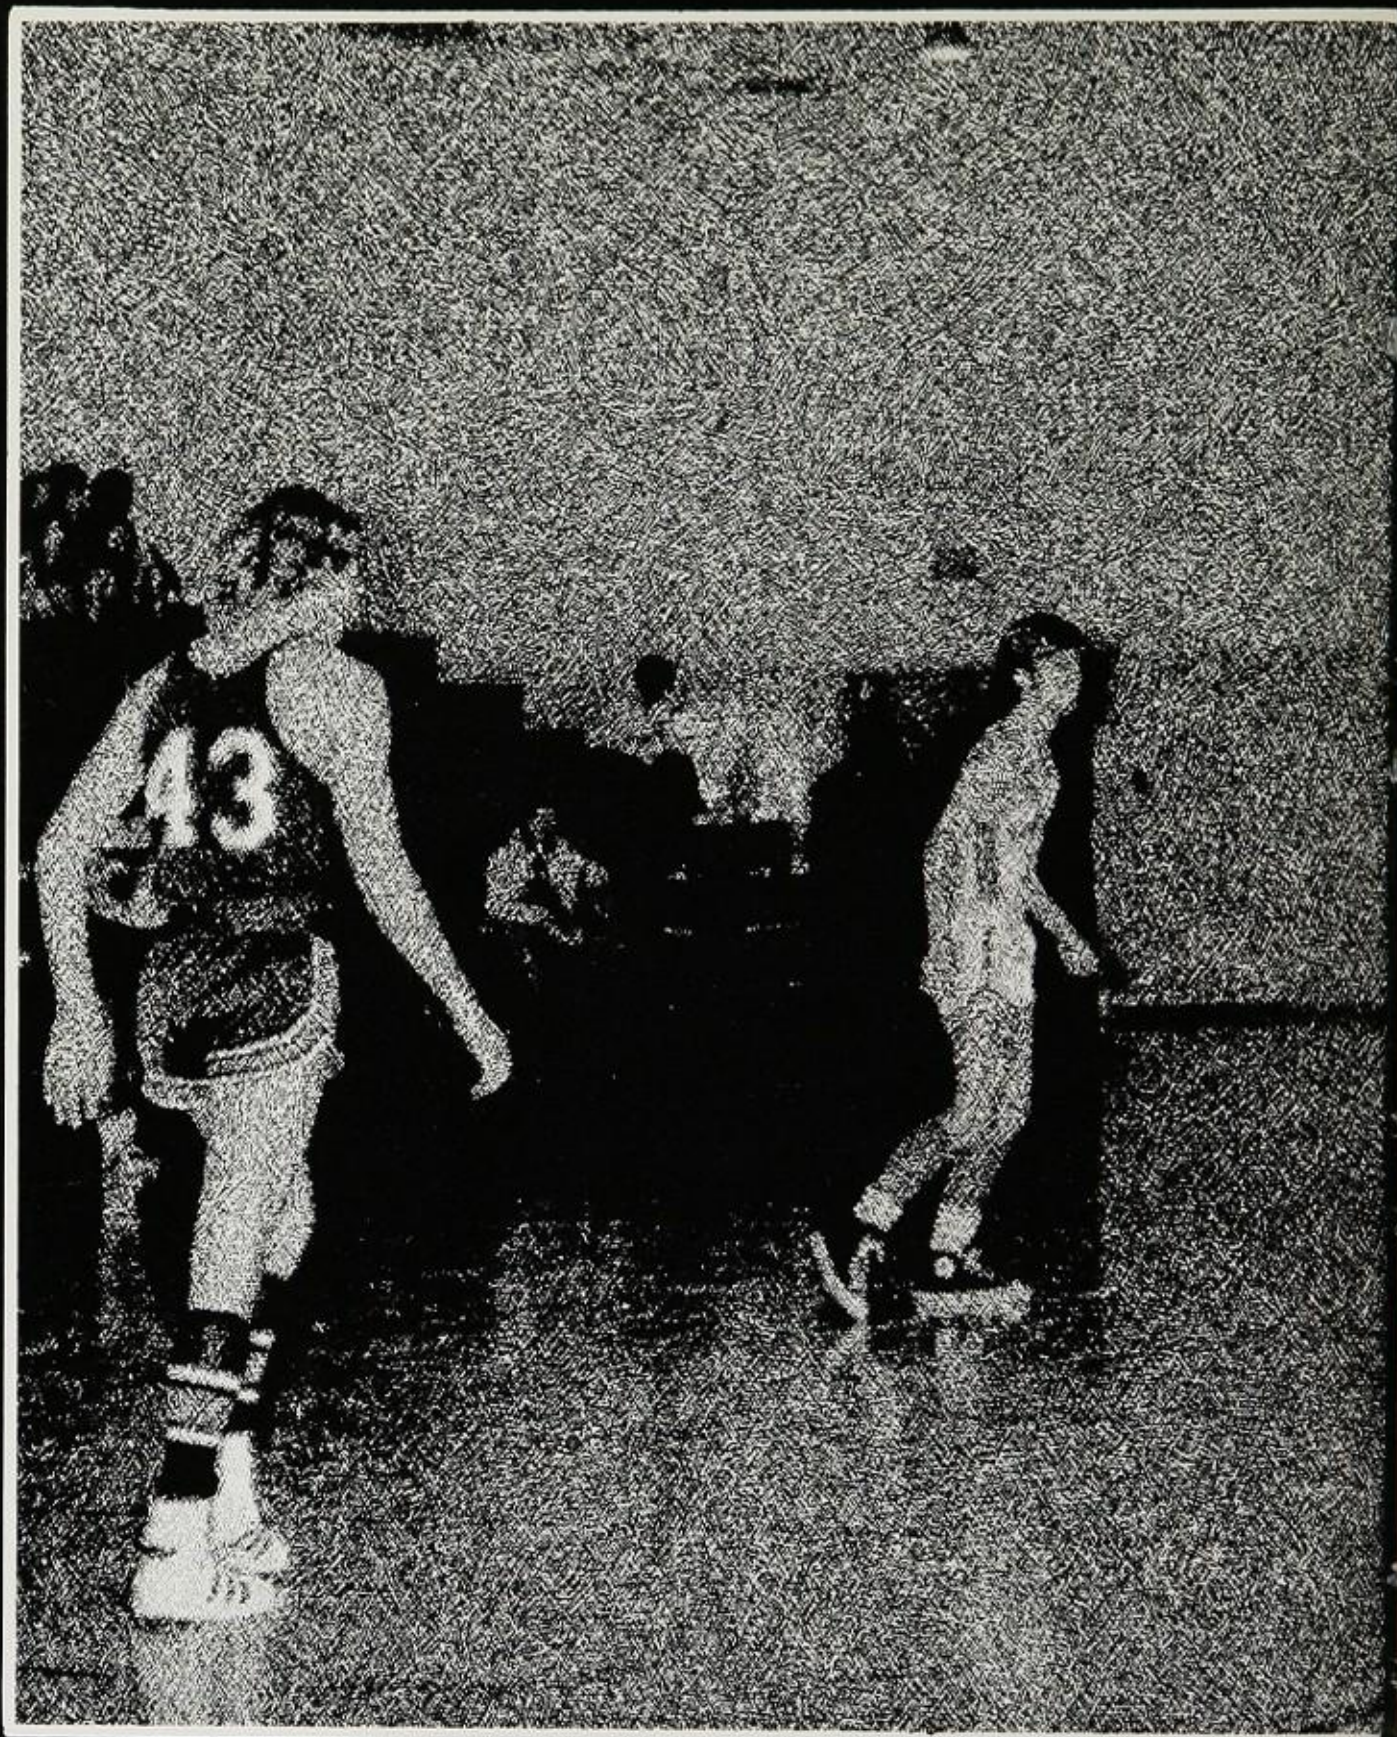

Congenial teachers in whom students can confide, innovative department heads, and users of the dramatic are characteristics of the men, to whom we dedicate this edition of the BEACON. These men have lent many years of their lives to teaching the youth of south St. Louis.

Stronger than dirt!

The Dutch kicked off the 1972 season with a 12 to 6 victory over St. Mary's, but lost the second pre-season game which was won by Southwest 20 to 0. However, the Dutch bounced back the next week with a 12 to 0 victory over Soldan. In the Vashon game the Dutch were defeated by a score of 14 to 10. The next three games played against McKinley, Sumner, and Beaumont were all scoreless for Cleveland and the results were 6 to 0, 18 to 0, and 10 to 0. The homecoming game was a great triumph for the Dutch. The final score in this game against Roosevelt was 13 to 0. The last game showed the mighty Dutch at their best when they downed Central 22 to 0. The dedication and loyalty to their team and to their school, despite obstacles endured during the year, has made the Dutchmen a team of which all Cleveland can be proud.

After first being defeated by Normandy by a score of 22 to 6, the team sprung back and won four consecutive games against St. Mary, Southwest, Soldan, and Vashon, the scores being 18 to 8, 14 to 0, 7 to 0, and 22 to 0 respectively. After loosing another two games against McKinley and Sumner, the Dutch finished the season by winning three great victories over Beaumont, Roosevelt, and Central adding up to the season's results, seven wins and three loses. Mark Wille was nominated the Most Valuable Player of the team, but it took the efforts of everyone on the team to make such a great season.

Cleveland Kickers

The highlights of the 1972-73 Soccer season was the Annual Christmas Tournament. The Kickers advanced to the finals with victories over Kennedy, Desmet, and McCluer, but they lost one game to St. Louis U. H. S. The Soccer Team came within a breaths length of capturing the P. H. L. Title exclusively for themselves, but Southwest High School moved in and tied with the Kickers. Cleveland's contribution to the Public High League Soccer Team included Dan Frazier, Tom Henson, Steve Gliedt, and Stan Pestka. Other starters were Paul Dueker, Mike Chrum, Joe Rich, Roman Kaminski, Steve Jonak, John Schuh, and Joe Lanigan. Tom Henson was voted the Most Valuable Player of the Year.

All Stars Bounce On To A Good Season

This year the basketball team played many exciting games such as the Hannibal Tourney, the Christmas Tourney, and the Crystal City game. Though a few games were missed, it was a marvelous season. The team had activities like a Christmas Party and a Game Party, and the selling of shirts. The team was also involved in making up songs about team members such as "Yankee Doodle Chambers" and "Ode to Oscar."

Under the supervision of a new Coach, which the ORANGE AND BLUE terms O'Brienism, bounced on to a great season, with such scores as:

Follow the yellow brick road.

Once again the Cross Country team ran away with the Public High League title. In addition, it won the Southside Invitational Meet, placed second in the District Meet and sixth in the Regional meet. A large part of this success was due to the efforts of the eight boys who ran a 1,000 miles during the summer. Although Cross Country is an individualistic sport, co-operation and team work are necessary to win.

Track Team Takes

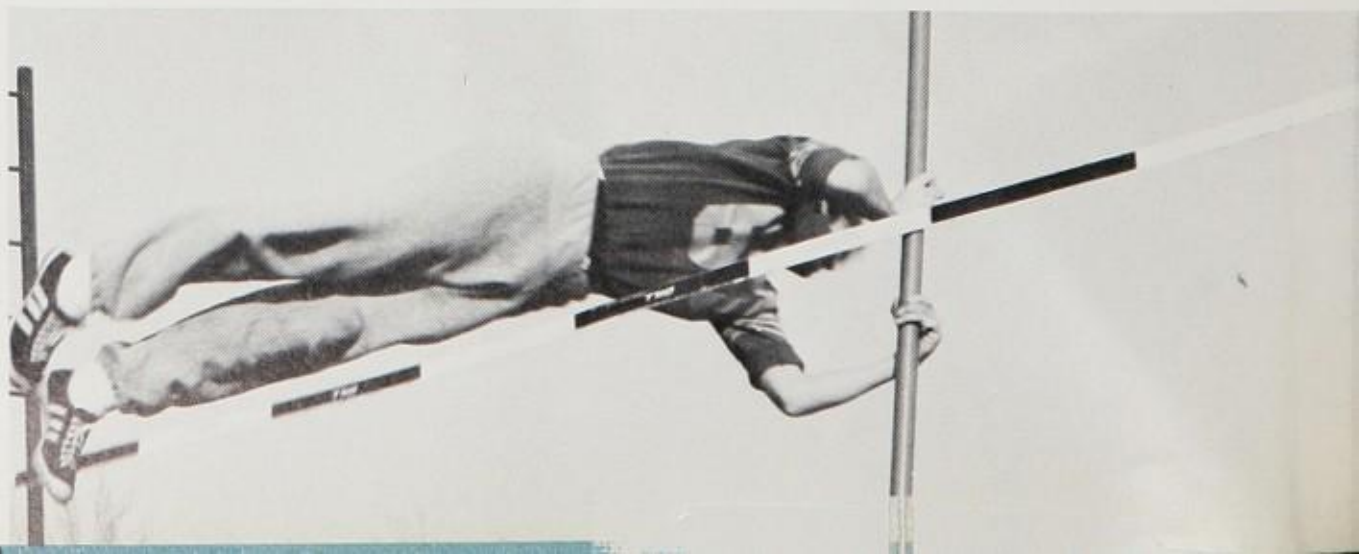

The 1973 Track Team began meeting on February 15, 1973. The team practiced diligently seven long, hard days a week on everything from 100 yard dash to the 10,000 meters run and from the pole vault to the triple jump. Their extra effort, superior mental control, and school spirit made Cleveland's trackmen's presence felt in every meet. In fact, team members Ronald Anderson, Lawrence Jones, George Griggs, and Steve Kaspar, set a new four mile relay record with a time of 19:18.4.

This year's team contained several outstanding members including Ron Robinson, who was named to the ST. LOUIS POST DISPATCH Prep Track Honor Role for his 1:58.5 half mile run. Competed in the state tournament in Columbia as a half miler. David MaGraw was Cleveland's top sprinter in the 100 and 440

yard dash. Future outstanding track men include David Kretschman, and Delbert Dale, half-milers, Terry Bishop, shot put, and David MaGraw, who broke the Junior Division records in the Long Jump and the Triple Jump. The Track Team has had a record and a spirit of which all Cleveland can be proud.

SNEEZY

The Concert Choir found the school year 1972-1973 to be an exciting year. Performances by the 90 member Concert Choir were exhibited during the autumn, winter and spring. Among the groups welcoming the "nujays" and their parents on Freshmen Night was the Choir. During the Christmas season the Choir displayed their musical talents at the St. Louis Public Library and at the Vespers service held at Cleveland. Six-thirty A.M. may be early, but that was the time at which the Choir arrived at Christy Park for the Easter Sunrise service. Among the highlights of the second semester, was the Choir's participation in the school play, MAME. Musical favorites of the Choir this year included BATTLE HYMN OF THE REPUBLIC; AMERICA, OUR HERITAGE; CHRISTMAS DAY; NOËL CAROL; and JAZZ GLORY. Completing their fourth year in the Choir this year were Jane Ahrenhoerster, Sharon Arling, Brad Gremminger, Becky Hudson, Mike Laubert, Janet Merritt, Karen Nelson, Deborah Rupkey, Nancy Schwantner.

Coronation

Members of the Court leave.

It's time already?

The BEACON Photographer catches royalty from behind.

The evening of November 4, 1972 was the setting for an important event, the Football Coronation. The arrangement of the court was centered around the thrones of the King and the Queen, complemented by a garden like setting. The ceremonies moved smoothly under the guidance of Karen Nelson, Mistress of Ceremonies, and Paul Beckerle, Master of Ceremonies. The Dutch Dolls and Cleveland Singers provided entertainment, while Mike Laubert, at the organ accompanied the entrance of the maids. The maids and the King, Richard Rhodes were all presented. Lovely Renee Keigley was hailed as the new 1972 Football Queen.

Nights In White Satin

Never Reaching the End

"Gazing at people, some hand in hand . . ."

On the cool, clear evening of Friday, February 9, 1973, the Seniors gathered in Carpenters' Hall for their Prom. It was a particularly memorable reunion for the class, as school had not been in session for two weeks due to the teachers strike. School reopened two weeks later.

Couples danced until midnight to music by the Encores. Then all met again at 2 A.M. for a special showing of "FRIENDS" at Stadium Cinema 2.

MY LAST RACE by Jim Roberts
 I've run a hundred thousand miles in my life,
 Which is enough to tear anybody apart;
 But there is one race I have to win in strife,
 That is the race to my girl's heart.
 Practicing for a track meet is no game;
 It takes mind, body, soul, and true grit.
 But the race to my girl's heart is no pain,
 For I'll love it all the way, every bit.
 Nervousness comes to me when the gun is fired.
 But this is a race when I'll never get tired,
 Though its finish may be as far as the sun.
 Losing hurts me, and everybody else, too.
 Especially when you go so far and come so close.
 I won't be beat in this race for you,
 Because out of all the girls, you're the one I love most.

On January 19, 1973 the Junior Class enjoyed one of its most important days in the Castle. At 7:30 in the morning the Juniors received their class rings. The stones of the rings varied in many sizes, shapes, and colors. There were also such crests as a Dutchboy, the school, and a "C" for Cleveland. On the sides of the rings were Orange and Blue crests with the initials of the owners. And the Juniors walked around proudly showing off their rings.

On one morning at 7:00 A.M. the Juniors received their rings. That morning the Juniors were lined up to the door of the lunchroom. An examination of each owner's ring showed the variations that reflected each owners desires and good taste. The differences in class rings included "C" under the stones, Dutch Boys which appear through the transparent stones, along with different stone cuts and colors. The Juniors left the lunchroom feeling proud of their new rings and they were certain that they would never forget this many splended occasion. This was memorable event for and to the Class of '74.

As we await the beginning of our Senior year, we look back and see what our Junior year held for us. We re-elected our class sponsors, Mrs. Hacker and Mr. Gaterman. We also elected our class officers and cabinet representatives. We planned for and enjoyed our Junior Prom which was held at Electricians Hall in March. We experienced Cleveland's first teacher's strike. We had a Rec Night, sold class buttons and pennants, and participated in a hayride. We also joined with the Wax Museum Club to improve our school by painting the waste cans. We also remember the thrill of selecting our class rings and then receiving them. While we enjoyed our Junior year, we are looking forward to an even greater Senior year.

The Advisory bell on September 7, 1972, began an exciting year for the Sophomore class. Campaigning for cabinet positions resulted in the remodeling of many of the bulletin boards of Cleveland. The election was held, and Sharray Summerfield was elected President. Class Sponsors, Mrs. Bonacorsi and Mr. Yehling, along with the newly elected cabinet planned the social activities for the class of '75. Turnouts at the Skating Party and at the Wiener Roast proved that Sophomores have spirit. Well Sophomores, two years down, and only two years to go!

Freshman Day

This was one of the most exciting days in the Freshman's year. It began early in the morning of the first Wednesday of the new school year. The entire aud was packed solid on the ground floor. Happy faces spotted the auditorium as well as frightened-ones. Never-the-less deep inside each were over joyed at being a new Dutchman. The staff of the Administration welcomed the new Dutchmen.

After the show began everyone became calm and relaxed. The Cheerleaders and Dutch Dolls put on a display of their abilities and hard work.

The picture at the bottom-right illuminates the story of the little old woman in her candy shop. The three people are acting as "suckers" in the shop.

Mr. Woodward with some Freshmen on Freshman Night.

"FRESHMEN NIGHT"

Many parents of Freshmen attended Cleveland's Freshmen Night. Through this opportunity parents were able to meet members of the faculty and various administrators. Entertainment was provided in the auditorium for the parents. This evening was an attempt to aid parents in assisting their Freshmen in bridging the change between elementary school and high school.

Becoming a student at Cleveland is easy, getting through this first year as a NUJAY can be an ordeal for some. Feeling the desire to demonstrate a superiority complex, some upper classmen test new students to Cleveland, especially those who are naive enough to identify themselves as Freshmen. Teasing, elevator passes, slugs for lunch checks, wrong directions for simple requests for various locations in the building have long been a few of the problems that greet a new ex-eighth grader at C.H.S. Maybe some of the problems of being a freshmen are offset by the knowledge that each freshmen knows that as an upperclassmen, "Next year, it will be my turn."

Experimental Methods of Learning

The Work Study program consists of approximately 30 students from Cleveland who have the opportunity to receive first hand experience in the business world. They attend special classes at various businesses learning skills needed on the jobs. By applying these skills, they are preparing for later vocations. The firms in St. Louis to which our students have been sent are Blue Cross; Boyds; Falstaff; Stix, Baer and Fuller; and the St. Louis City Hall. The Work Study Program is a worthwhile experience for both local businesses and the students.

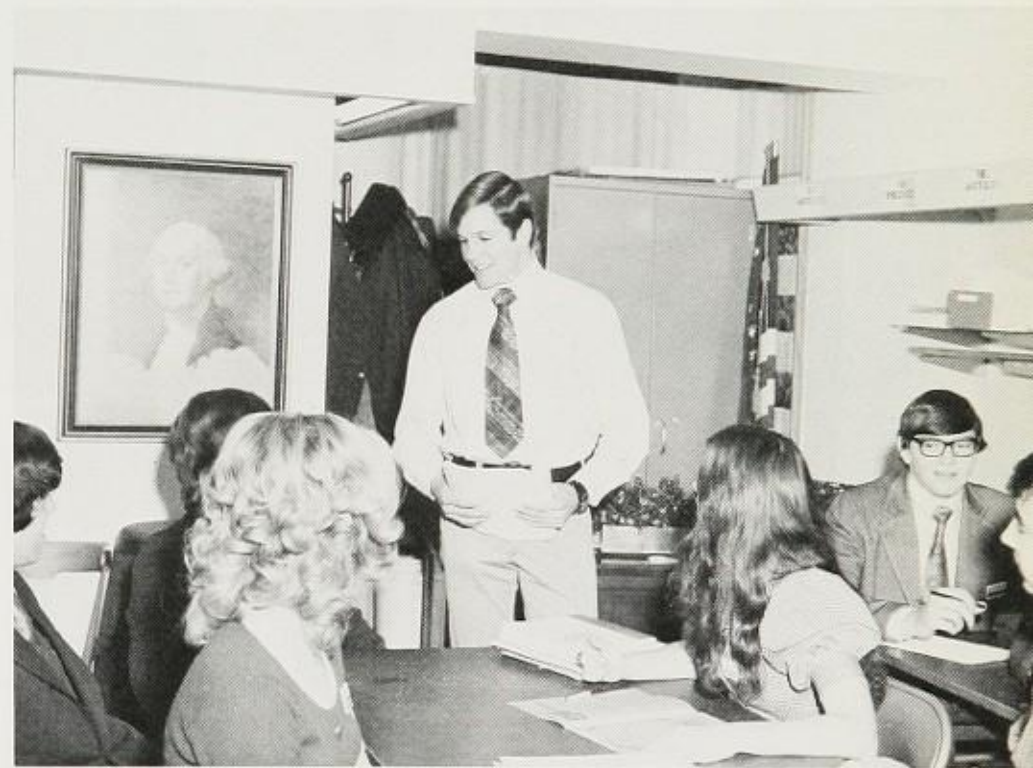

Another experimental method of learning, to which Cleveland is a partner, is the Metro High School program. Sixteen students of Cleveland are participating in the learning processes of Metro High School. Cleveland students at Metro are able to take many advanced classes. This program is designed to give secondary students a maximum degree of flexibility in their studies, active participation in decisions involving their education, and freedom together with responsibility for their education.

"This is not the end. It is not even the beginning of the end. It is rather the end of the beginning."

Sir Winston Churchill

This quotation is true for all students of Cleveland High School, but especially for the Seniors. Although it is the end of our high school education, it is only the beginning of a future that holds many different experiences for each of us. We have been guided for four years by faithful teachers, but now it is time to leave and to go out on our own and make something of ourselves, by ourselves. It was a good year at Cleveland, and I am sure that most of us will carry with us fond memories of our Senior year. I would like to thank every person who helped to make possible this BEACON. I want to acknowledge gratefully the efforts of the BEACON photographic staff and VINCENT PRICE STUDIOS for the fine photography which we were able to have this year. I want to thank each editor for all of the time and effort each contributed. MR. JAMES COMBS was always willing to lend a helping hand with any technical problem that arose. To him and to the AMERICAN YEARBOOK CO. which he represented goes a generous thank you. Our ADMINISTRATION AND FACULTY were always very helpful, especially MRS. BOOTH, BEACON

FINANCIAL SPONSOR, and MR. CORNELL, BEACON EDITORIAL SPONSOR. Such a force standing behind a yearbook staff is a great asset to composing an excellent yearbook. Last, but not least, I would like to thank WALT DISNEY PRODUCTIONS for the wonderful artwork which this firm provided. We greatly appreciate the opportunity to use this artwork as our pictorial theme, because young people so easily identify with it.

So now that all the thank you's have been said and the work is over, I present this book to you. I hope that you will enjoy it. It has been said that one opens a good book with anticipation and closes it with profit. I hope that this 1973 BEACON has been profitable to you in providing the memories for your future years.
